

Redscope Primary School

Autumn 1 Home Learning

Expected Learning

Reading	We expect that the children read a minimum of three times a week to an adult or older sibling. Please record this in their planner. Children achieve 5 house points for reading three times in a week.
Spelling	All children have spellings to learn each week. These are recorded in their planner. Please make sure that your child practices. 5 minutes, three times a week will make a huge difference. They are given on a Friday and tested on a Friday.
Mathematics	Children need to practice their number facts regularly. Little and often is the key to getting these embedded. In Year 4, we expect the children to practise their target times tables that can be found in the garage section on TTRockstars. Please do this at least 5 days a week for 10 minutes.

Additional Curriculum Task

Please choose at least one item from the menu below and bring the home learning into school by Monday 16th October 2023. This task can be done with adults. Children can choose more than one if they wish. The more creative the better!

- Research different types of transportation and their advantages and disadvantages and make a poster.
- Make a model of a mode of transport.
- Create a map showing food trade links.
- Draw a picture of an animal thinking carefully about tone, texture, tint and shade.
- Make a model or draw a picture to show the different types of teeth humans have.
- Identify the producer, prey and predator and create a 3D food chain to represent this.
