

# **Redscope Primary School**

## **Autumn 2 Home Learning**

### **Expected Learning**

Reading	We expect that the children read a minimum of three times a week to an adult or older sibling. Please record this in their planner. Children achieve 5 house points for reading three times in a week.
Spelling	All children have spellings to learn each week. These are recorded in their planner. Please make sure that your child practices. 5 minutes, three times a week will make a huge difference. They are given on a Friday and tested on a Friday.
Mathematics	Children need to practice their number facts regularly. Little and often is the key to getting these embedded. In Year 1, we expect the children to practise their number facts using the online website NumBots. Please do this at least 5 days a week for 5 minutes.

### **Additional Curriculum Task**

Please choose at least one item from the menu below and bring the home learning into school by Friday 15<sup>th</sup> December. This task can be done with adults. Children can choose more than one if they wish. The more creative the better!

- Pick your favourite Christmas story to share with your family
- Draw a Christmas themed picture
- Go on a 3D shape hunt around your house/ the supermarket. You could tweet the shapes you see.
- Make a picture or pattern using 2D shapes.
